

Problem Solving is an Act, Let's Play It.

Children ages 7 to 12 are welcome to join this fun group!

In this exciting group for children and their families, children learn about behaviors and positive responses by performing skits. Children will be the actors/actresses and the facilitator and the parents will be the directors. Skits are videotaped and then played back to allow for feedbacks from the children and parents as well.

**Groups meets Thursdays
from 5 to 6 pm**
