**Cornell Scott – Hill Health Center Opens Newly Remodeled State of the Art Women’s
Health and Pediatrics Departments**

The Cornell Scott – Hill Health Center is proud to announce the ribbon cutting of the newly remodeled and state of the art Women’s Health and Pediatrics Departments. In addition to the ribbon cutting there will also be a dedication to the Lion’s Low Vision Center and acknowledgement of the partnership between the Eye Clinic and Yale New Haven School of Medicine.

In a time when there are so many uncertainties about the future of Health Care, the Cornell Scott – Hill Health Center continues to push through providing exceptional care to the Greater New Haven Community.

WHO: Cornell Scott – Hill Health Center

WHAT: Ribbon Cutting

WHEN: Wednesday July, 26, 2017, 11:00
