

Free Skin Analysis

How much sun damage does your skin have?

Skin cancer is the most common of all cancers. It accounts for nearly **half of all cancers** in the United States.*

Do you know what's beneath the surface of *your* skin?

* www.cancer.org

**Stop by our main care site front lobby
located at 428 Columbus Avenue
for your free skin analysis!**

**Monday, May 6, 2013
8:30 am – 12 pm and 2 pm – 4 pm**

**Tuesday, May 7, 2013
8:30 am – 10 pm and 12 pm – 4 pm**

The Cornell Scott-Hill Health Center Wellness Education and Outreach Team will be utilizing a skin cancer analyzer courtesy of the American Cancer Society. This tool will look at the approximate sun damage on the skin.

**Free samples of skin care
products will be given out to
participants while supplies last!**

**Cornell Scott
Hill Health
Center**
